

# Glenvar Community Action Team

## WHO WE ARE AND WHAT WE DO

- ✓ We are a group of Glenvar Middle and High students assessing our community and seeing how we can make it better!
- ✓ We have recently decided to strengthen our team in our fight against risk behaviors by combining our YOVASO group and our Coalition to form our community action team.
- ✓ We meet at least once per month to talk about new issues that have come up, where we are in taking action, and always look for new ideas
  - These meetings are open to the community!
- ✓ Activities that we have previously held or participated in:
  - ✓ Red ribbon week (coming up soon)
  - ✓ Elementary school visits
  - ✓ PTA meetings
  - ✓ Talent Show (We hold every year)

## HELP IMPROVE OUR COMMUNITY!

- ✓ We want more to see more involvement from YOU! We are open to having anyone at our meetings to help see what we do and get fresh ideas.
- ✓ Tell your PTA members, school teachers, and principals you would like us to come talk to your kids about what they have to look forward to in middle and high school. Let us help in preparing them for what we are going through now and answer any questions they might have.

*Last year's trip to North Cross to talk to students about community wide issues such as drug abuse, alcohol abuse, and technology misuse.*

Glenvar Highlanders  
Defending What's Ours

- ✓ Buckle up
- ✓ Sober
